

How to edit your Profile

This mini-howto will show you how to edit your profile's information. Your profile is displayed in the Agile 2007 website on the presenters page and on each submission you present.

1. First you need to login into the system. Go to the Login page:
<https://agilesub.openmex.com/query.cgi?GoAheadAndLogIn=1>
 - a) If you know your password, enter your email address (as it was entered on the submission) as login and your password and hit the **Login** button.

2. Once logged in, select **My Profile** from the menu (near the top and bottom of every page). That will take you to your profile.

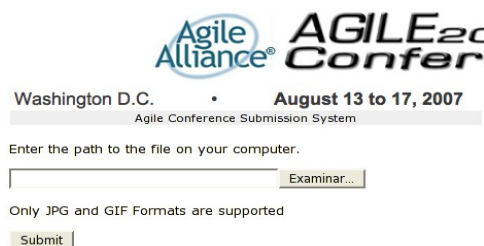

3. The profile page is divided in two. The first half of it has your picture (or a question mark if you haven't uploaded one).

Account settings

4. To upload your picture click the **Edit...** link, a new window will pop up. Select your picture from your computer and click the **Submit** button. Remember, only JPEG and GIF formats are supported. Keep in mind that it will be resized to 120x120 pixels (respecting aspect ratio)

The window will close and your profile page will be reloaded.

5. Next section has the information about yourself that will be shown on the website. At the very least enter your **real name**, **job title**, **affiliation**, **timezone** and **bio**.
